ADDENDUM NUMBER 1

September 9, 2014

To all Bidders for the solicitation titled: Roto Mill and Paving Project for District 3

Bid Title: Roto Mill and Paving Project for District 3

Bid # C0000218

Please notify everyone concerned (subcontractors and suppliers) as to the issuance and contents of this Addendum prior to the date of bid opening. The following changes, deletions and/or additions have been made to the above mentioned solicitation. All other information will remain the same. **This page must be signed and returned with your bid documents.** This Addendum is a part of the contract documents and modifies them as follows:

Bid Closing was: 9-11-2014 5:00 pm MT

Bid Closing now is: 9-15-2014 5:00 pm MT

Bid Opening was 9-12-2014 10:30 am MT

Bid Opening now is 9-16-2014 10:30 am MT

Questions:

1. Water will be required for the mill, who will provide? This typically requires a water truck with a hose having a 2 ½" camlock fitting at the end.
2. Who will be responsible for the mill support? This would include sweeping of the roadway prior to paving, clean-up milling pile at the end of the milled areas and providing a suitable match joint for the new asphalt overlay.
3. Who will be responsible for hauling the milled material?
4. Will the milling/paving operation be able to move directly from one area to the next on concurrent days?

Answers:

ITD will be providing everything asked for in questions 1-3.

Contractor will provide suitable match joint to be milled .2', ITD will clean and tack seal the joint before placing asphalt inlay patch.

ITD plans on moving from one location to the next on concurrent days with a plan of completion in three (3) days barring breakdowns or weather issues.

There are no other changes.

Kirk Anderson, Buyer

ITB C0000218
